

## World Day of Prayer USA Committee Order Form 2009

World Day of Prayer

March 6, 2009

“In Christ, There Are Many Members Yet One Body”

The World Day of Prayer USA Committee invites you to begin your preparation for WDP 2009, written by the women of Papua New Guinea, in the Pacific islands. This is your order form for 2009 resources.

### *Helpful ordering hints:*

- \* Order the music CD early as it is a popular item that tends to be a sellout. Once the music CD is sold out, the cassette tapes are generally still available.
- \* The slide set with script is also available in CD format and includes power point, Jpegs and hi-resolution files for publicity and graphic purposes. The CD format utilizes the same slide script.
- \* Bilums from village women’s micro-credit groups in Papua New Guinea have been specially handcrafted for WDP to enhance your worship service. A bilum is a string bag made by hand by a process of looping or crocheting, traditionally made from plant material but now made from wool or some other store-bought yarn. Colors and yarn patterns and textures vary greatly and often reflect the village or area where the bilum was handmade. Therefore, bilums are one of a kind, with great diversity in color and pattern design.
- \* The Leader’s/Planners guide is essential for your team’s planning and we encourage you to order enough copies for your teams planning purposes. Frequently asked questions are answered in this guide. We are making the guide as user friendly as possible with lots of good planning tips, photos, and follow-up action suggestions.
- \* Check our website periodically for forms, offering grants and new ideas. We’ve been told our website is user-friendly and easy to navigate and we make changes as needed to keep you informed of what’s new and helpful.

The report form is again included in the guide as tear-out page. For your convenience, a return envelope is in the small resource packet and should only be used for returning the completed report form. **Please do not use this return envelope for mailing order forms** as it will slow down the processing of the order which must be re-routed to our distribution center in Kutztown, PA.

Now let us begin preparations for 2009 World Day of Prayer, “In Christ There Are Many Members Yet One Body”, written by the WDP Committee of Papua New Guinea. The 2009 service and offering grants will focus on indigenous women and children’s concerns as their communities struggle to maintain their history and culture, languages and traditions in an ever-changing world around them. Babies and young children are dying at high rates leaving communities to struggle with the cause of all these deaths. Violence against women has been a part of the culture and women are now struggling to change that culture in order to grow and survive in healthy and meaningful ways in order to care for their children. Oil companies and corporations are reaping benefits from Papua New Guinea’s natural resources as these companies continue to exploit and the people continue to live in impoverished villages and towns. Environmental degradation and climate change are impacting some of Papua New Guinea’s islands which will soon force indigenous people to move from one island to another seeking safer ground. The rich yet heterogeneous indigenous populations are diverse and are reflected in the thousands of small communities and over 800 languages. It is within this diverse yet heterogeneous context, that the women of Papua New Guinea chose as their main text Romans **12:3-21, In Christ, There Are Many Members Yet One Body**
