

## World Day of Prayer USA Committee Order Form 2010

World Day of Prayer

March 5, 2010

“Let Everything That Has Breath Praise God”

**The World Day of Prayer USA Committee invites you to begin your preparation for WDP 2010, written by the women of Cameroon in West Africa. This is your order form for 2010 resources.**

### *Helpful ordering hints:*

\* Order the **music CD** early as it is a popular item that tends to be a sellout.

Once the music CD is sold out, the cassette tapes are generally still available.

\*The **slide set** with script is also available in **CD format** and includes power point, Jpegs and hi- resolution files for publicity and graphic purposes. The CD format uses the same slide script.

\***Kangas** from West Africa have been specially crafted and printed with the WDP logo to wear in the WDP service, enhancing your worship service and putting you in the “spirit of praise” as Cameroon women have urged us to do in a more lively spirit. A kanga is a rectangular piece of vibrant patterned cotton fabric, 5 1/2 ft by 4 ft. Kangas are comfortable and practical which is why they are worn or used so frequently by women in Africa. Kangas have been used in social and religious movements as a way to send messages and mobilize the people of Africa. Their distinct patterns have been used to create awareness of events and bond people together. In an everyday fashion kangas are used as wraps, hats, baby carriers, table cloths, banners and as gifts.

\*The **Leader’s/Planners guide** is essential for your team’s planning and we encourage you to order enough copies for your teams planning purposes. Frequently asked questions are answered in this guide. We are making the guide as user friendly as possible with lots of good planning tips, photos, and follow-up action suggestions.

\*Check our **website** periodically for forms, offering grants and new ideas. We’ve been told our website is user-friendly and easy to navigate and we make changes as needed to keep you informed of what’s new and helpful. Go to Facebook.com , sign up and then join our new **Facebook** page (search for “World Day of Prayer USA Committee”). There are many photos and a video of the actual Papua New Guinea service in Port Moresby so that you can relive that experience.

The **report form** is again included in the guide as tear-out page. For your convenience, a return envelope is in the small resource packet and *should only be used* for returning the completed report form. **Please do not use this return envelope for mailing order forms** as it will slow down the processing of the order which must be re-routed to our distribution center in Kutztown, PA.

Now let us begin preparations for 2010 World Day of Prayer, “Let Everything That Has Breath Praise God”, written by the WDP Committee of Cameroon. From the beginning of worship, a lively procession fills us with vibrant music and movement. *Psalm 150* begins with “Praise God” and we are called to praise the Almighty, if for nothing else, the gift of life. The 2010 service and offering grants will focus on the struggles of the women for justice and peace, not only for women’s rights but also for its children. Tradition often discriminates against women, including the right to inherit property and land rights and the right to be a woman pastor. Most of the challenges faced by Cameroonian children center around forced labor, access to education, trafficking of children and poverty-related survival activities. HIV and AIDS home care and local market women’s contributions to the growth of the economy are also a part of the struggle for justice. Our response becomes part of the gift we give to one another in our participation on the first Friday in March. *Sing to the Lord a new song, even when there is pain and suffering (Isaiah 42:10-17). Together we will fulfill the call of Psalm 150: Let Everything that has Breath Praise God!*
